

Vantage Construction

PROFESSIONAL & POLLUTION LIABILITY (CPP)

As construction and design processes evolve, and new technology and materials are used, risks increase. Our construction professional and pollution team is made up of industry-leading specialists who listen and are determined to find new solutions to the ever-evolving process. We are excited about the construction industry's challenges and want to assist our clients' growth. Our construction products are designed to **Build the Future**.

| Architects & Engineers Professional Liability | | ✓ | ✓ | ✓ | |

“Vantage’s Construction Professional & Pollution Liability team is ready to partner with all parties that participate in the Design & Construction lifecycle – Design Professionals, Contractors, & Project Owners. Increased professional and pollution liability exposures, ever-evolving delivery methods, a greater focus on environmental and sustainable design and materials, and our willingness to listen to your needs, will allow us to craft customized solutions for your operation. Our team of underwriters and claims professionals will provide insurance and risk management products, services, and expertise that will allow each of these segments to focus on their core operations – their industry – design and construction.”

-Lawrence Lejfer
Senior Vice President
Head of CPP
